LOWER CLASSES JOIN IN FROSH-SOPH MIXER IN MEN'S GYM TOMORROW

Varied entertainment will be offered to those who attend the freshman-sophomore mixer in the Men's gymnasium tomorrow night at 7:30. Dancing to Clyde Appleby's six-piece orchestra will furnish social entertainment for the evening, and a basketball game will give the two classes a chance to prove which is the superior.

Fifteen hundred rolls of serpentine and 450 balloons are to be

distributed at the mixer, and streamers will add color to the gym. Refreshments adequate to serve the expected crowd will be provided by the refreshment committee.

The traditional freshman-sophomore tug-o-war will prelude the evening get-together with grunts and groans on the San Carlos turf tomorrow afternoon. The winner of the tug-o-war, the basketball game, and other minor contests will be the criteria in awarding class points toward the eventual possession of a silver cup at the end of this school year.

Upperclassmen are warned that any accidental disfigurement performed upon their countenance as a result of attending this lower class gathering, will not be rewarded with freshmen or sophomore sympathies.

All lowerclassmen are requested to support their respective classes, as ten points toward the Gold cup will be awarded that class with the most members in attendance at the Mixer.

'Rivals' Tickets On Sale Today In Room 153

Tickets for the San Jose Play production of "The Rivals" will go on sale today in the speech office, room 153, according to Helen Mineta, secretary.

General admission to the play will be 55 cents including amusement tax, and student tickets will cost 28 cents. Associated student body cards must be presented to receive student rates.

18TH CENTURY COMEDY

"The Rivals" is a Richard B. Sheridan comedy hit of the latter 18th century and acting, costumes, and stage setting have all been patterned after the conventional style of that period.

Settings have been designed by Wendell Johnson and will make use of flat painted canvas drops and candle footlights. Costumes and wigs have been selected which are exaggerated and stylized as were the costumes of the period when "The Rivals" was popular.

THOMPSON PLAYS ABSOLUTE

The male lead, Sir Anthony Absolute, is being taken by Frank Thompson, sophomore English and drama major. The leading feminine role, Mrs. Malaprop, will be portrayed by Eleanor Wagner, sophomore speech major.

Lydia Languish will be enacted by Shirley Kress, and Bob Acres by Leon Fletcher. Other actors in the play are Jack Hume as Jack, Howard Evans as Faulkland, Clarence Cassell as Sir Lucius

Trigger, Barbara Whitaker as Julia, Ruth Froelich as Lucy, Norval Guttormsen as Fag, Denny Morrissey as David, and Harrison McCreath in the role of Thomas.

Deane Healey Wins Leading Role In Dr. Kaucher's 'Bosun'

Deane Healey, freshman drama major from Redwood City, has been chosen to portray the title role in Dr. Dorothy Kaucher's original one-act play, "Bosun", which will go into rehearsal under the direction of Miss Marie Carr of the speech faculty.

Other selections for the cast include Alice Modrey as Cheves, the ingenue; Barbara Trelease as Mrs. Randolph, and Norval Guttormsen as Billy Kemper.

This play is the first in a series of one-act plays which Miss Carr plans to produce. In the future she plans to take original plays by members of the playwriting class so the student-authors can see their work in actual production.

PLAY TRYOUTS FRIDAY, 4 TO 6 IN AUDITORIUM

Copies of "Mr. Pickwick", annual Christmas play, are now on hour-reserve in the library for students who are interested in competing for parts in the tryouts to be held in the Morris Dailey auditorium Friday from 4 until 6.

There are 40 roles in the play, with 28 for men and 12 for women, instead of two as previously stated. The play, which is to be under the direction of Ted Hatlen, has been adapted from Charles Dickens' book, "Pickwick Papers".

"Mr. Pickwick" is to be presented in the Morris Dailey auditorium on Thursday and Friday of the week before Christmas vacation.

Re-tryouts will be held Monday afternoon. Any student is welcome to try out regardless of his year in school or previous experience.

Four Lectures On Peace Today By Calep Foote

Calep Foote, former editor of the Harvard Crimson and secretary of the Fellowship of Reconciliation, is scheduled to make four talks here today.

Mr. Foote stands against those forces which make for nationalism. He hopes to outline community projects and week-end work camps under F. O. R. organization.

Mr. Claude Settles, of the Social Science department, will have Mr. Foote as guest speaker in his 9 o'clock "Survey of Social Problems", room 20. Later he will speak in room H1 at 12 o'clock, as guest of the YWCA; at 4:45 in the Student Center; and at 7:30 in the city Y under the auspices of the college YMCA.

All students and members of the faculty are invited to attend the latter three lectures as the first is for Mr. Settles' class only.

RADIO CLUB HOLDS MEETING TONIGHT

Tonight the college Radio club will hold a meeting at the "radio shack" at 7:30 p.m.

Instead of a speaker a general discussion will be held upon a topic to be announced at the meeting, stated Harry Engwicht, radio instructor.

STUDENT ESCAPES INJURY WHEN PLANE CRASHES IN FORCED LANDING

Escaping injury after his plane was completely demolished, Henry Rosensweig, senior police major, crashed yesterday afternoon at 2 o'clock near the Mountain View training school on Middlefield road.

Rosensweig was taken to the Palo Alto hospital for observation and is expected to be released sometime today. He had no apparent

injuries outside a bruise on his chin.

A Civil Aeronautics Authority student, Rosensweig is at present taking a primary training course under Jack Simonic, CAA flight contractor. Not at all discouraged by the accident and showing an unbroken spirit, Rosensweig said that he wanted to take up another plane just like the one that crashed.

The accident happened when Rosensweig was soloing at 3000 feet and the engine of his plane suddenly quit. He attempted to make an emergency landing and glided his plane down near the field. At this point Rosensweig had to pull the nose of the plane up to avoid tangling with some power lines. At 100 feet the engine stalled and caused the plane to go into a dive and crash.

Rosensweig could have bailed out at 3000 feet when the engine quit, but he tried to save the plane by gliding in. He hadn't figured on the power lines interfering with his forced landing.

CAA was organized and authorized by the government for the purpose of training civilians for active duty with the air divisions of the different departments of national defense. CAA training stations have been established in nearly every major school in the country.

COMPETITION HIGHLIGHT OF JR.-SR. MIXER

Competitive programs between the two upper classes will highlight the Junior-Senior Mixer Monday night in the Men's gym. Set from 7:30 until 10:30, the three hours will be full of fun, according to Tom Harvey, chairman for the seniors. As yet, an orchestra has not been decided upon but dancing will continue all evening.

Refreshments and free cokes will be offered along with the competitions and dancing, all of which costs the upperclassmen 15 cents.

The new senior song scroll will be formally presented, introduced by a skit. This scroll is intended to become another point of competitive spirit between the two classes.

Offered during the evening will be a prize donated by the Co-op for the senior class slogan, a contest open to any senior member.

Betty Wool and Christine Mansfield are chairmen of the entertainment and Ruth Wool is in charge of decorations.

TOMORROW LAST DAY TO PAY FEES

Just two more days remain for students to pay class fees. After tomorrow a late fee of \$1 will be charged. Students should pay their fees in the Business office, room 12.

KSJS MEMBERS PRESENT FIRST KQW BROADCAST

Members of KSJS, radio speaking society, last night presented the first of a series of dramatic programs over Station KQW at 9:15 p.m.

Robert Louis Stevenson's "The Sire De Maletrot's Door", with the script by Evelyn Gunn, was the adaptation presented. Frank Valenti, Keith Bickford, Margaret Kennedy, Alden Schroeder and Alice Modry were included in the cast.

"STORY HOUR"

The program, first of its type given by a Spartan college group in several years, is entitled "The Story Hour". The spot was won in a tryout at the local station.

Next Tuesday's play is an original script by Ted Hatlen of the Speech department, entitled "Parting Is Such Sweet Sorrow". R. L. Irwin, Speech instructor, will direct.

CAST

The cast is as follows: Tommy Taylor plays the part of the "boy"; John Shepherd, Mr. Higgins; Lois Ijams portrays the "girl"; and the narration is done by Frank Valenti.

A Word From Our Dean

There is nothing which gives me more satisfaction than to discover some man in music, dramatics, or natural science who needs a part-time job but whose conscience has been too tender to permit him to apply for NYA work. (I said "work", not "aid".)

All too often, I fear, men get the impression that a man has to be an athlete in order to get on NYA. Of course, I like the athletes, and I'll do everything I can to help them within the limits of the money available and the regulations under which I must operate. But I am equally concerned about a tuba player, a welder, an accountant, a ham actor, or an embryonic Steinmetz.

This brings me back to my first sentence. There are men in college who need more

money and who have time to earn it. There is some money available to employ such men under the NYA student work program. If you who read this are such an one, why not come in and talk things over? If your scale of living is too high and you are really ineligible for NYA work, I'll tell you. But if you have just been super-conscientious, I'll tell you so and put you to work. NYA is not charity.

I feel that I have a stewardship for this money. It is public tax money, earmarked for educational purposes. It ought to be spent as honestly and effectively as any of the money we spend on public education. Maybe some of it ought to be spent on you.

—Paul M. Pitman.

We Do Have School Spirit

With the special trip to Stockton in the past and even that one lone Stater who missed the train safely back at Washington Square, the highlight of the years' school spirit has passed.

But even though they are less spectacular, there still remain other functions which give us an opportunity to display school spirit.

This week the quarterly freshman-sophomore mixer will be held and plans are being made for the upper class mixer to be given in the near future.

Though these functions lack the glamour and excitement that a special train to some other college has to offer, they do have

qualities which an athletic contest does not.

Thursday night's mixer will give the lower-classmen a chance to get acquainted and develop a spirit of friendly rivalry which strangely enough seems to bring the two classes closer together. The mixer also offers an evening of diversified entertainment which is not found elsewhere.

In the past attendance at these gatherings has been very good. This year the school enrollment has dropped off and there have been rumors that we lack school spirit. The train to Stockton last Friday showed that there is school spirit on Washington Square. Let's prove it again at the class mixers.

—Christenson.

TUG-O-WAR AT FROSH-SOPH MIXER SURVIVES CHANGES

Traditional as the college itself is the annual sophomore-freshman mixer. Each year has seen some modification in the activities accompanying the mixer. In fact, it appears that the only activity that has survived without change through the years, is the strenuous tug-o-war.

Interesting, and perhaps exaggerating accounts of Manila rope contests have filtered to us from various sources. Wild gang fights, broken arms and legs, and wrecked automobiles have all been attributed to these spirited conflicts of competition.

It was only last spring, at the Spardi Gras festival that the last rope-pull was held. Again an unexpected, yet harmful event occurred—to the surprise of on-lookers the weakly-rated lower-classmen tore a partially decayed rope assunder.

But to put credit where it is due, the lowerclassmen have conducted these rough and tumble contests in the past few years with no serious deterioration of sportsmanship, limb, or property.

NOTICE

Members of the Student Center committee will meet today at 12 o'clock in the Fireside room of the Student Center building.

PEGGY RICHTER

Football may be a little out of our line, but, we're wondering along with the rest of the college, what's the matter with the attitude of the team?

The COP gridiron battle was supposedly a breather, yet the team barely eked out a one touchdown victory. It's all a matter of opinion, but could the lack of spirit be due to the fact that a number of the "boys" feel that they aren't getting a fair deal out on the field during the games?

If this is true, then it's about time they forgot all personal grudges and gripes and got out on the field and fought like a team. In any business, no matter whether it's football or journalism, co-operation by all the members of the organization is needed to make the business a success—"a house divided against itself cannot stand"—never were truer words spoken.

Okay then, there's a heck of a good trip scheduled for Hawaii in December. Sixteen days in the Hawaiian Islands—Waikiki beach—it's worth trying for. With this in mind and the fact that no player has yet a guarantee of a berth or a stateroom we should see some rugged football out on Spartan field.

Memo to sophomores: There are rumors rampant to the effect that freshmen plan to show up at the Frosh-Soph mixer tomorrow night in droves and take over by sheer weight of numbers. Since the only defense against this sort of offense is a good counter-offensive, it would be wise to show up en masse.

NOTICES

All students interested in badminton are welcome at the Badminton club tomorrow night from 7 until 9.

There will be a debate meeting in room 53 this afternoon at 4:00 o'clock.

On-Campus

THRUST and PARRY

CONTRIBUTORS' COLUMN

Dear Thrust and Parry:

To all of you who would like to know all sides of the war situation, I heartily recommend Chet Foote, who speaks today (Wednesday) at noon in room 1 of the Home Economics building. I heard him speak at the Northern California joint YWCA conference held at Colton last week-end. Mr. Foote described the week-end work camps and community projects which the Fellowship of Reconciliation organizes.

He is not trying to convert anyone, but presents the pacifist point of view. I am sure it will be worth your time to hear him. —Helen V. Crook.

NOTICES

Associated Women's Activities will hold a luncheon today at 12 in room 3 of the Home Economics building. Plan to either bring your lunch or buy it at the cafeteria.—Gerry Averitt.

All freshman who intend to play in the basketball game at the frosh-soph mixer are asked to meet at 5 o'clock today at the Men's gym.

LINDSEY AND HARDISTY CONTINUE TO DOMINATE SPARTAN STATISTICS

Complete statistics through the COP game show almost the same leaders as a week ago. Fred "Bulldog" Lindsey continued to lead the scoring parade by adding one marker to his total of 39. The only other change saw Allan Hardisty break into the point column for the first time this season with his six points scored last Friday.

In running plays, Bill Rhyne made the biggest gain by jumping from a 1.5 yard average per try to an average of 3.5 yards per carry. Last week's leader, Chet Carsten, dropped from a 5.7 average per play to an even 5.

Hardisty still continues to lead the passing and kicking departments, although his passing average dropped from 54.5 per cent to 48.3 per cent.

They may not have a good passing offense, but the Spartans were the eleventh best pass defensive team in the nation up to the COP game. The Staters have allowed their opponents 208 yards in the five games for an average of 41.6 yards per game. This on 19 pass completions out of 66 attempts.

DELTA SIGMA GAMMA LEADS FRAT TOURNEY

Delta Sigma Gamma continues to lead the inter-fraternity football tournament, scoring an impressive 18-6 win over the Alpha Pi Omega team on the San Carlos turf yesterday afternoon.

Bob Gager was the main threat of the offensive attack, throwing three touchdown passes. Kenny Alford, Al Guetting and John Nicholsen were on the receiving end of the passes into the end zone.

The Delta Theta Omega team won their second straight game yesterday, after losing the first to

DSG 18-12, by downing the Gamma Phi Sigma gridders 6-0.

Bob Roberts scored the only touchdown on a pass play in the early part of the game.

Tomorrow afternoon the DSG squad will face the Beta Chi's and the DTO's will battle the APO's.

VARSITY POLOISTS DOWN WINGED 'O' SEPTET 8-7; FROSH SWAMPED 13-3

The varsity water polo team made it two in a row over the Olympic club last night in the Winged "O" pool when they eked out a narrow 8-7 victory.

The Spartans took the lead after the first two minutes of play and were never headed although the Olympic septet tied the score at half time at 5-5.

In their last encounter in the local pool the varsity downed the

Santa Barbara Stresses Offense For Spartan Game

SANTA BARBARA, Oct. 27.—Coach Stan Williamson sent his Santa Barbara State gridders through a lengthy offensive practice this afternoon following their dismal showing against the University of Nevada Saturday at Reno.

The Gauchos were defeated by the Wolf Pack 7 to 0, but Santa Barbara would have won if their offense had clicked at least part of the time. Coach Williamson hopes to overcome this situation before the San Jose State game Friday night at San Jose.

In the Nevada game, the Gauchos missed the work of four men who were unable to play; they were Cliff Graybehl, end; Paul Siano, guard; Hovis Bess, speedy halfback; and Steve Powell, reserve fullback; all of whom were injured. Captain Ernie Saenz, first string fullback, played with a hurt leg and was not at his best. Wayne Engle, starting guard, and Dave Hengstler, tackle, were also injured.

Larry Bemoll, who was the Gauchos outstanding linesman last week, will probably replace Jack Sorenson at right guard in the starting lineup.

Santa Barbara's forward wall played one of its best defensive games of the season against Nevada, but the Gauchos gained only 159 yards from scrimmage and pass plays.

club team by an 8-6 count, playing one of their best games of the year. This game was no exception and it was a fight to the end with the Staters having the edge.

TAYLOR SPARKS TEAM

Marty Taylor, from the center forward spot, Al Corcoran from the center back position, and Douglas Bacon and Delamar Armstrong on the forward wall scored the Spartan tallies.

Taylor sparked the team by getting the ball on the sprint in most occasions, keeping the ball in Spartan control. Dan Mehan in the goal was responsible for halting many of the Winged "O" scoring thrusts by stopping the shots of the club forwards.

GUARDS IMPRESSIVE

Dave Thomson and Egon Hoffman, at the guard spots, were responsible for stopping many of the scoring thrusts and keeping the ball in enemy territory. Corcoran also played good defensive ball as well as scoring from his center back spot.

In the preliminary game the freshmen poloists were downed by a strong reserve team 13-3. In its first encounter the yearling septet was downed by the club reserves 11-4.

Frank Goulett scored two goals for the yearlings from the forward line and John Finger, from the guard spot, scored one.

Dick Anderson, lanky goalie from Venice, played his usual good game in the cage but couldn't stop all of the shots the Winged "O" forwards were firing from all angles.

STANFORD HERE

Tomorrow night in the local pool both the varsity and the freshmen will meet the Stanford university septets. Reported to

FROSH GRIDDERS CLOSE SEASON HERE SATURDAY

This week the Spartan freshman team closes its season against one of the toughest teams on schedule when it tangles with the St. Mary's freshmen in Spartan stadium.

"Red" Strader, St. Mary's head coach, says that this year's Gael frosh team is the best yearling squad that he has seen. The team is big and plays best when the going is rough. Their main offensive threat is Gonzales Morales, former all-city back from Mission High in San Francisco, who has been a consistent ground-gainer.

GAELS SHOW POWER

Monday afternoon the Gael frosh easily defeated the University of San Francisco freshmen 19-0. Earlier in the season they soundly trounced Humboldt State 25-0.

Against the USF frosh, St. Mary's showed a well rounded attack which is especially strong in the aerial department. According to Bud Winter, State freshman coach, who had the game scouted by ex-Gael griddler Joe Crawford, the St. Mary's team has more pass plays than any other team he has played.

GETS READY

To get ready for St. Mary's, Coach Winter is driving his team hard during practice sessions. Besides the regular drills in fundamentals, the freshmen are learning a few new plays which are designed to take advantage of the strange defensive formation of the Gaels.

Besides these plays, the frosh still have in reserve the razzle dazzle plays which they have not yet used. All season Winter has been teaching them a wide open attack which up to this time has not been used. If the going gets tough the freshmen will come up with these plays which are principally combinations of forward passes and laterals.

GAMMA PHI SIGMA STARTS BOWLING

Gamma Phi Sigma, on-campus social fraternity, starts its intra-fraternity bowling competition between two pledge teams and two member teams tonight at 4 o'clock in the New Valley Bowl at 220 West Santa Clara street.

Regular bowling league rules of competition will be employed in these fraternity struggles. The games are scheduled over a period of six weeks.

Student Center Forum Hears Mrs. Winters

Mrs. Mildred Winters, Social Science instructor, spoke yesterday to the Student Center forum group on "The Effects of War on South America".

The main subject of discussion was the economic situation which has resulted from the European war. It was pointed out how the problem of surplus commodities is being dealt with partly by means of increased imports of South American goods to the United States, such as Chilean wines and Argentine wool and hides; and also by the new trade treaties between South American nations.

This subject proved timely as President Roosevelt had told the night before of the Hitler-made map which planned to make the South American countries into five "vassal states".

Canterbury Club Sponsors Party Saturday Night

The Canterbury club of the Trinity Episcopal church is sponsoring a Hallowe'en party in the Parish House Saturday night, announces Alice Lee Freeman, club president.

Entertainment will consist of comedy skits, games and dancing from 8 to 12 o'clock.

Miss Freeman says, "Sport dress is the rule, so don't worry about a costume."

All San Jose State college students are cordially invited to attend. Refreshments will be served.

PLANS FORMED FOR DANCE ON NOVEMBER 14

Plans for the Harvest Hop to be held following the San Jose-Fresno State football game November 14 will be discussed at the weekly social affairs committee meeting in the Student Union at 3 o'clock today.

Chairman Beverly Byrnes urges all members to be present in order that the discussion may be complete.

Tentative arrangements for the dance include decorating the Men's gym in typical autumn style with numerous cornstalks and pumpkins. Christine Mansfield is in charge of decorations.

The committee is also considering the possibility of having student performers entertain during intermissions at the dance.

NOTICE

All Home Economics majors and faculty members please remember to leave your orders for fruit cake.

Will all frosh football men report to the gym for pictures today at 12 o'clock? This is the only opportunity to have your pictures taken for La Torre.

Three Students Complete Naval Air Training

Three former San Jose State college students have completed preliminary training at the Naval Air Base in Oakland and have been transferred to the Naval Air Station at Corpus Christi, Texas.

The former students are Stanley Murdock, John Du Boise Kluge and Jack Owen Baldwin.

After completing the training at Texas, the young men will graduate with an ensign rating in the naval reserve as aviators. They will be available for active duty with the United States fleet.

National Radio Club Offers Invitations

Dr. F. E. Terman, executive head of the Electrical Engineering department of Stanford university, has extended an invitation to advanced students in radio engineering at San Jose State college to become student members of the Institute of Radio Engineers.

Harry Engwicht, assistant professor of radio, stated that "membership in the Institute is considered a distinct honor and I expect a picked group of our radio engineer majors to qualify."

"This organization holds its meetings through state and national conventions," he said, "and has many advantages." Mainly the publications, in which the latest electrical advancements are revealed and many articles offering valuable information on radio and also the chance to come in contact with noted men in the field of radio and electricity."

Dr. Terman is president of the Institute which draws its members from recognized colleges, universities and research laboratories in all parts of the world, according to Mr. Engwicht.

Invitations for membership in the institution are given to the students with outstanding ability in radio and any student interested in becoming a member may apply for an invitation at Mr. Engwicht's office.

At present, Roger Battie, senior radio major, and Melvin Stinson, sophomore pre-engineering major, have received invitations.

NOTICES

Epsilon Nu Gamma: There will be a noon meeting today in room S216. There is important business to be discussed.

Tau Deltas: The Wednesday night ding meeting has been cancelled. Usual Friday noon meeting in the tower.

Freshman Band: Will all frosh band members please report to the quad at 12:30 today with instruments.—Dottie Taylor.

Sociology Club Members: Don't forget the "Spook Party" October 30 at 8 o'clock at the Student Center. Come and bring your friends.

A.W.A. JAMBOREE SCHEDULED FOR NOVEMBER 28

At a recent meeting of the AWA the date for the annual jamboree was set for November 28. Traditionally a co-educational affair, it has always been a gala time for everybody.

It is scheduled to be held in the Men's gym. There will be a dance orchestra and there are incomplete plans for swimming for everybody as well as other activities.

June Gross, vice-president of the organization, presided in the absence of Grace Marie MacGrady, president, who has undergone a recent appendicitis operation.

Equestriennes Will Leave At 8 Saturday Morning

Curb and Snaffle members who plan to attend the Mills college riding clinic Saturday morning must be ready to leave at 8 o'clock, states Miss Evelyn Amaral, riding instructor and adviser for the group.

Charge for transportation will be 25 cents a person. There will be a charge of \$1.25 for participating in the affair, while 25 cents will be charged for observing. Members should bring their own lunch.

The clinic, sponsored by the National Section of Women's Athletics, is open to all colleges and high schools in California. It will consist of a horse show; a demonstration of all breeds of horses including gaited, thoroughbred and stock horses; a period of discussion; and a period of class instruction in which Miss Amaral has been asked to assist.

The show is scheduled to start at 9:30 and will be over at 4.

Curb and Snaffle members who will ride in the clinic are Jane Englehorn, Gayle Weatherford, Betty Bunds, Kay Eaton, Mary Jane Benham, and Club President Helena Griffiths.

NEWS BRIEFS

Inman Heads Alpha Delta Sigma

The Alpha Delta Sigma, National Professional Advertising fraternity, elected Arthur Inman president, Harry Lines vice-president, and Bob Nerell secretary at the quarterly election meeting yesterday in room 13 at 2 o'clock.

Plans for coming projects, and the formal initiation of pledges, was the nature of business discussed at the meeting.

FROSH LUNCH CLUB MEET TOMORROW

"Noontime Nonsense", weekly meeting of the Freshman Women's luncheon club, will be held tomorrow at noon in the Student Center building.

Following the usual custom, first year women attending will bring their own lunch, with dessert and beverage supplied by the Center.

Games and country dancing will follow the meeting, and all freshman women are invited to attend the affair.

Pi Nu Sigma Initiates Forty New Members

Pi Nu Sigma, pre-nursing society, held formal candlelight initiation for over forty new members Monday evening in the Student Center.

A meeting will be called tomorrow at 12:10 in room S227 of the Science building to discuss activities for the rest of the quarter. Members are requested to bring their lunches.

Women P. E. Majors Plan Barbecue

Women Physical Education majors are planning a barbecue for Saturday, November 8. All those who plan to attend should sign up on the bulletin board in the Women's gym by Wednesday, November 5.

Psychology Faculty Attends Luncheon

Masculine members of the Psychology department gathered at the home of Raymond M. Mosher, psychology instructor, for a luncheon and discussion yesterday.

The origin of these frequent Psychology department luncheons can be traced to a time when department wives were not at home to prepare the gentlemen's dinner, thus in pure sympathy the men gathered together to console one another and discuss interdepartmental problems, Dr. Mosher said.

Aviation Wings For Stoddard Friday

Loren Stoddard, a junior transfer to San Jose State college in 1940 from Yuba J. C., is now taking aviation cadet training at Luke Field, Arizona.

A former music major, Stoddard will receive a lieutenant's reserve commission in the Air Corps upon his graduation next Friday.

Eta Mu Pi Sorority Meeting Postponed

Eta Mu Pi, national honorary merchandising society, has postponed its dinner initiation meeting until Thursday, November 6, at 8 o'clock at Tiny's restaurant, announced President Paul Horn yesterday.

The event was formerly scheduled for tomorrow night but was changed because of mid-term examinations. The postponement will also provide opportunity for the selection of still more new members.

Rally Committee Plans Noise Parade

Although the rally committee has not made any plans for the Santa Barbara game this Friday, it has been considering the activity program for the Fresno State contest which will be held November 14.

Arrangements for the Fresno game are still indefinite but Rally committee chairman Dick Payne stated there will be a big "noise parade" and that the San Jose rooting section will do card stunts between the halves.

SENIOR P. E. MAJORS POSTPONE RIDE

The horseback ride and breakfast for senior women Physical Education majors has been indefinitely postponed because of uncertain weather, states Miss Evelyn Amaral, riding instructor.

The ride was originally scheduled for this morning between 7 and 9 o'clock.

VARSITY HOUSE PLANS DANCE, OPEN HOUSE

In a special meeting called last night members of the Varsity House formulated plans for the present quarter. Chief among the decisions arrived at was the proposal for two open house sessions during the month of November. Marking an innovation in Varsity House procedure the open house will be for the Patrons' Association and another group as yet unnamed.

ANNUAL PARTY

At the same time members, under co-leadership of Ernest Luke and Henry "Daddy" Antognani, took preliminary steps for the formation of plans for the annual house informal. Held last year at Alum Rock park, the affair this quarter is to be held in a similar place. According to Luke, head chef of the house, the food and refreshments will be of the same quality as that of last spring's success.

NEW ERA

"With the organization present in the house this quarter," says Antognani, "inmates are looking forward to a new era in house management. With the opening of this school year inaugurated an untried system of house operation that is beginning to pay dividends."
